

EUROPEAN UNION

MISSION TO ASEAN

The Ambassador

Jakarta, 22 September 2025

LETTER OF RECOMMENDATION

Subject: Muhammad Ibnu Farhan

To whom it may concern,

I am pleased to confirm that **Muhammad Ibnu Farhan** (“Ibnu”) successfully completed his graduate traineeship at the Delegation of the European Union to ASEAN in Jakarta from 29 November 2024 to 28 May 2025.

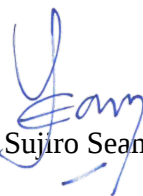

During his traineeship, Ibnu contributed extensively to the Delegation’s Political, Press, and Information affairs, while also providing valuable support to the Cooperation Section. His responsibilities included conducting in-depth research and analysis on EU–ASEAN relations, supporting EU public diplomacy initiatives and communication outreach, and assessing broader regional political and societal developments. His inputs made an important contribution to the preparation of thematic and general briefings, speeches, and reports for the Delegation.

Ibnu also attended and helped to prepare a range of external meetings and events, where he had opportunity to engage with stakeholders in a professional and constructive manner. He drafted minutes and reports with precision and clarity, and produced reliable records of discussions and outcomes. Beyond this, he supported the Cooperation Section on topics ranging from education to environmental issues, demonstrating versatility and intellectual curiosity across diverse fields.

Throughout his traineeship, Ibnu distinguished himself through his analytical ability, strong communication and writing skills, and the capacity to work effectively in a diplomatic setting. He is highly motivated, collegial, and consistently demonstrates the discipline and intellectual engagement required for both professional and academic success.

It is with great confidence that I recommend Ibnu as an outstanding candidate for any graduate programme or professional policy role he pursues. His intellectual rigour, adaptability, and proven commitment to excellence will enable him to make meaningful contributions in any academic or professional environment. Should you require further information, I would be pleased to provide it at DELEGATION-ASEAN@eeas.europa.eu or phone (+62-21) 25546290.

Yours sincerely,

Sujiro Seam
